Highlights from the Old Student Association - 12th March 2022

1. **Welcome and Introductions:** The meeting began with a warm and cordial welcome to all attendees, comprising faculty members, staff, students, and esteemed guests. The purpose of the meeting was outlined, emphasizing the significance of open dialogue and collaboration in shaping the college's future endeavors.
2. **Date of Old Student Association (OSA):** The pivotal point of discussion was the announcement of the date for the forthcoming Open Student Assembly (OSA). After a thorough evaluation, it was determined that the OSA would take place on 12th March 2022. The chosen date aims to provide ample preparation time and ensure maximum participation, fostering a diverse and constructive environment for discussions.
3. **Recognition of Renowned Alumni and Field Experts:** A key decision that emerged from the meeting was to extend invitations to renowned professionals and alumni from various fields to participate in the OSA. This initiative is envisioned to offer students exposure to real-world experiences, insights, and advice. By engaging with experts, students can gain valuable perspectives on career paths, industry trends, and skill development, thereby enriching their educational journey.

Furthermore, it was agreed upon that more emphasis would be placed on recognizing and celebrating the achievements of former students. This recognition not only showcases the accomplishments of our alumni but also serves as an inspiration for current students to strive for excellence.

4. Integration of Social Media Platforms, Especially Facebook: Acknowledging the role of social media in modern communication, the meeting emphasized the importance of utilizing platforms like Facebook to spread news and updates about the college and the upcoming OSA. Special attention was directed towards alumni who are connected through social media channels. By engaging with former students online, the college can harness their feedback, insights, and suggestions for continuous improvement.

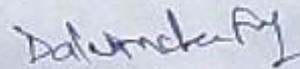

The idea of inviting old students to the OSA was proposed as a means to tap into their collective wisdom and experience. This engagement is seen as a valuable opportunity for enhancing the college's curriculum, infrastructure, and overall educational experience. By encouraging alumni involvement, the college aims to create a holistic environment that supports both current students and those who have previously benefited from their time here.

In conclusion, the Open Student Assembly meeting on 12th March 2022 set the foundation for several exciting developments. The decisions made to invite field experts, recognize alumni achievements, and leverage social media platforms demonstrate the college's commitment to growth, improvement, and fostering a dynamic learning community. The meeting's outcomes reinforce the belief that the OSA is not only a platform for dialogue but also a catalyst for positive change and progress within the college.

Updates from the Meeting on March 19, 2023

1. Welcome and Introductions: The meeting commenced with a warm welcome to all attendees, including staff members, students, and faculty. After acknowledging the significance of everyone's presence, the discussion transitioned into the key matters on the agenda.
2. Date of Open Student Assembly (OSA): One of the central topics of the meeting was the announcement of the date for the upcoming Open Student Assembly (OSA). After careful consideration, it was unanimously agreed upon that the OSA would take place on [19 March 2023]. This assembly will serve as a platform for open dialogue, enabling the entire college community to voice their opinions, concerns, and suggestions.
3. College Boundaries, Gate, and Renovation Plan: A significant portion of the meeting was dedicated to deliberating on matters related to the college premises. There was a consensus on the need to review and potentially adjust the college boundaries. The purpose of this endeavor is to optimize the available space, ensuring a more efficient layout that benefits all members of the college community.

In addition, the discussion revolved around the plan to construct a new college gate. This project aims to enhance both the security and aesthetics of the college entrance, providing a welcoming first impression to visitors and creating a safer environment for everyone.

Furthermore, a comprehensive renovation plan for various areas of the college was approved during the meeting. This plan encompasses not only physical spaces but also the overall infrastructure. It was determined that this renovation will not only enhance the appearance of the college but also elevate the quality of facilities for all stakeholders.

4. Hostel Room Renovation and College Hall Furnishing: One of the highlights of the meeting was the decision to undertake the renovation of hostel rooms in a systematic manner. It was agreed that the hostel rooms will be renovated one by one, allowing for a more focused and efficient approach. This will ensure that students benefit from improved living conditions that contribute to their overall well-being.

Moreover, attention was directed towards the college hall. The consensus was that furnishing the college hall would greatly enrich the campus experience. By creating a more comfortable and inviting space, the college hall would be better equipped to accommodate a variety of events, including lectures, seminars, presentations, and cultural activities.

In conclusion, the meeting on March 19, 2023, proved to be instrumental in setting the course for several transformative developments within the college. The decisions made regarding the OSA date, college premises, renovation plans, hostel room refurbishment, and college hall furnishing reflect our commitment to creating a more conducive and enriched environment for all members of the college community.

We look forward to implementing these decisions and witnessing the positive impact they will undoubtedly have on our college experience.
